

Jan. 14: Member Auction

Jan. 28: Sales Circuit Night

Feb. 11: Member Auction

Feb. 25: Slide Program (#1's of the world.

I hope everyone had a safe, happy and healthy holiday. It's now time to get back to stamp collecting.

I would like to welcome a new member to our club, ****
*****. **** collects U.S. and Scouts on stamps.

Remember, dues are due. If you have not paid yet, then the total for the year is \$10. Send in your payment before March 31st or unfortunately you will be dropped from the membership. I plan on sending final notice dues in February. If you are not fond of paying dues every year, please consider a lifetime membership. See me for more information if you are interested.

Our last meeting took place over a month ago. We held our holiday party and our first ever Premier Auction. It was good to see all of the members who came to the party and would like to thank all those that brought something to the party. I would consider the Premier Auction a mild success. We had five items in the auction and all five sold. Each lot had

to have a catalogue value of at least \$25 and a minimum bid of \$5. It would have been nice to have a few more items in the auction, but I think we should try it again next year.

For those who don't know, you can now download this and every newsletter from our website from since October 2006 at <http://www.wepsonline.org/>. Some members do not want their name posted on the website, so I edit the names out, therefore it may not be exactly the same as the current newsletter. Also starting with this year, the schedule is also available for download on the website. Both the Newsletter and the Schedule are in PDF format, so you will need to have Adobe Acrobat to access. There is a link on the web page to the Adobe website for a free download.

Once again our friends at the Jockey Hollow Stamp Club will

be sponsoring Collector/Non-Dealer Bourse in April. It will be held at the Parsippany P.A.L building located at 33 Baldwin Road on Saturday April 19, 2008. It is to be heavily advertised in the philatelic press. If you would like to be a seller, the tables cost \$35.00 each. I am taking the plunge and going to try my hand at selling a few duplicates and items that I do not need. I know a few members did pretty well selling their wares at the last bourse. I made a few good purchases at that show also. Since it is a collector/non-dealer there are many stamps and covers to found that aren't in the regular dealers inventory, especially the lower catalogue value stamps. I hope everyone will be able to participate either as a buyer or a seller. For more information contact:
