Welcome to the summer edition of the WEPS Newsletter. It is my pleasure to welcome three new members to our club since our last newsletter: Frank Melka, Curtis Glen and Cynthia Berry.

On April 28<sup>th</sup> we held our annual election and all the officers and trustees were re-elected from last year. They are:

President: Bob Parkin  
Vice-President: Rob Loeffler  
Secretary: Miles Tepper  
Treasurer: Jerry Havel  
Trustee: Ron Gollhardt  
Trustee: Diann Pinkowski

That night we also held a Trustee meeting. We are looking to add more Audio/Visual presentations in the future. We would also like to do more recruiting. Hopefully, you know of another collector who may want to join us. Why not invite them to visit us. We also plan to create new flyers to post in strategic areas.

Another topic discussed is trying to get more participation in Show & Tell. Each and every one of you must have something interesting in your collection that you could share with the membership. Even if it's something you showed us a few years ago, it wouldn't hurt to see it again and we have many new members who never saw it. We do have specific night designated for Show & Tell but that doesn't mean that you can't bring something in on other nights. I really look forward to seeing what other people collect and gaining their knowledge on the subject. Perhaps you may inspire other collectors to start collecting that area.

On April 14<sup>th</sup> we held our Donation Auction where all proceeds go to the club. I am happy to report that we added \$261.00 to the club treasury. Thank you to all members who participated as a Donator, Buyer or Both.

Unfortunately, at our April 14<sup>th</sup> meeting we did wind up having

a stamp from one of the circuit books go missing. It was Wurttemberg 2a and was listed for sale at \$35.00. Hopefully, someone took it from the book and accidentally did not record the purchase. If it fell out of the book or was stolen, then the cost will have to come out of our treasury. If anyone has any information about this stamp, please contact our Circuit Manager, Phil Clarke.

Remember, NOJEX is happening Memorial Day Weekend, May 23-25. We have special passes to enter the show for free on Friday & Saturday (the show has free entry on Sunday). The passes have our club name on them. Whichever club brings in the most members will receive a \$50.00 prize from New Jersey Federation of Stamp Clubs. See Rob Loeffler at our next meeting, or contact me to have it mailed directly to you (SASE would be appreciated).

Until next time...
