I hope everyone had a nice summer. Now is the time to get back to collecting.

It's always a pleasure to announce a new member to the club. John Rollo joined us at the August 11th meeting.

I'm very excited to announce that the WEPS library is now available at every meeting. Our librarian, Tony Bucci contacted the Verona Library and got permission to keep our library there. The library is extensive and being a member, you may checkout any available book between meetings. Please try to return the book at the next meeting. A list of books is currently on the WEPS Website. Unfortunately it

is a little out of date. Hopefully, I will get to the library soon and do a full inventory and update the website and create a hard copy list of all available books. I believe the library is one of the least utilized benefits that this club offers. I would like to thank Robert Reed for donating the book "19th Century Fancy Cancels" by Herst & Sampson.

On September 22nd there will be a Trustee Meeting. I'm hoping all officers and trustees will be able to attend.

October 13th is our club donation auction. This is one way to keep dues down and to help us fund essential benefits for the club. One way the club

can save money is for members to receive the newsletter by email or download it off the website. Please email me if you would like to receive your newsletter this way. October 27th is Show & Tell. At our last Show & Tell we had seven members bring interesting items in to share.

I would like to congratulate Lou Caprario for winning a Vermeil award for his "*Christmas Seal Buttons Pins and Medals of the U.S.*" literature exhibit at the APS Stamp Show in Hartford.

Clifton Stamp Club will have a bourse September 27 & 28. The Jockey Hollow Stamp Club will have a Collector Bourse on October 18 (details on the WEPS Website).

That's all for now...
