I hope that all of you have a great summer and continue to actively collect and attend our meetings. Just a reminder... there is no meeting on May 25th. It is Memorial Day and the library is closed. I would also like to apologize for the delay in getting this newsletter out.

Last month we had our yearly elections. The entire slate was re-elected to their current positions.

Bob Parkin – President,
Rob Loeffler – Vice
President, Miles Tepper –
Secretary, Jerry Havel –
Treasurer, Diann Pinkow –
Trustee, Dan Upperco –
Trustee.

Jerry Havel informed us that the club's finances are

in good order and we hope to keep it that way in these trying financial times.

Also last month we had our Club Donation Auction. First, I would like to thank the members who donated and bid on the items in the auction. I'm disappointed to say that the auction only generated \$33.00 for the club. The money collected from this auction helps to keep the dues down, buy catalogues, refreshments for each meeting, mailing of circuit books and newsletters among other expenses required to keep the club in existence. Luckily, we have another club auction in October.

Our member Steven Rod, who is currently on the

Board of Vice Presidents for the APS, is running for re-election for the same position. Steve is legend in the stamp collecting community. When I got back into stamp collecting, his beginner articles in Linn's Stamp News got me off to a good start. He currently writes articles for The American Stamp Dealer & Collector magazine. If you are a member of the APS, please vote.

How many of you with computers have our website bookmarked? A lot of information can be found on it. You can download the newsletter and schedule. You can get a list of books from our library and we also have useful philatelic links along with important news. The URL is located at the end of the newsletter.

Again, have a very nice summer.
