I would like to apologize for getting this newsletter out so late. As most of you know I have been feeling lousy for the past few weeks and unfortunately I'm not feeling much better. I sure hope to make the next meeting.

A lot has gone on in the last few weeks. I spoke to Phil Clarke, our Sales Circuit Representative. He would like to give up this position. It is a very important position as it requires responsibility and a lot of time to reconcile the sales books and also involves dealing with cash. Anyone who is interested please contact me as soon as you can. I would like to thank Phil for doing this job for the past 5-6 years. I would sure hate to see the Circuit Books go away because we don't have anyone to handle this job.

Many things are beginning to change within

the club. Many of our older members who have held voluntary positions for many years (and I am not talking 2-3 years, I'm talking 20-30 years) no longer have the energy to handle these tasks. I need some of the younger members to start taking an active role to help the club be as good as it can be. Our long standing members also have to be flexible as things may not be exactly the same as they were. We may have to tweak things as we go along. Constructive criticism is greatly appreciated.

I would really like to bring new life and energy to the meetings. We are having a Show & Tell on March 28th. I would like to see more people participate. You must have at least one item in your collection that

you can share with the membership. Bring it to the meeting.

Speaking of volunteers, I would like to thank Steven Rod, Hugh Merritt and David Way for taking over the auction.

We are having our Club Donation Auction on April 11th. Please try to bring in something for the auction and please bid uninhibitedly. All proceeds go to the club's coffers. This helps keep dues down, buy items for the library, refreshments and so on.

Finally, we have our business meeting and election of officers on April 25th. If anyone would like to run for any office please let me know so we can put you on the ballot. Also if you have anything you would like to have addressed at the business meeting let me know.
