I hope everyone had a great summer.

I would like to offer my apologies for the lateness of this newsletter. My home got about a foot of water in the basement during Hurricane Irene. My computer setup was in the basement. The computer was not damaged but I did not have access until now.

We will be having a Trustee Meeting on Sept. 26th. I hope all Officers & Trustees will be able to attend.

Our Club Donation Auction will take place on October 10th. We would like each attendee to bring two items in for the auction. The more money we raise for the club the better.

Last November we had a reporter from the Verona-Cedar Grove Patch (internet) attends one of

our meetings and interviewed a few members and took some pictures. The article was released in June and could be found here:

Hopefully, someone will read this and want to become a member.

We were also mentioned on the American Association of Philatelic Exhibitors (AAPE) website. Five of our members entered the Ameristamp Expo 1 Frame Team Competition. We received a special Bravo for having 3 rookies, 4 exhibiting at a national level for the first time and having 5 types of exhibits. You can read the full article here:

So far, it seems that the APS Circuit Books are doing pretty well. We get them for two meetings. The old Circuit Books will be available until December. If they are to continue, then I need someone to volunteer to take them over. Our current circuit book manager can no longer do it.

I would like to take this opportunity to thank our volunteers. Thanks to Hollis for making the coffee and maintaining the library - Phil for running the circuit books for so long - Steve, Hugh and Dave for running the auctions. -Ron for getting the donuts. Hopefully, I didn't forget anyone. All your help makes my job and the club run smoother.
