I hope everyone had a great holiday season and will have a great 2012.

Shortly before our meeting on December 12th I received a call from the library to let me know that they would be closed on December 26th. Because of this we had to reschedule the party for January 9th. Because January 9th is the first meeting of the month and most members enjoy our auction, we have rescheduled the auction to January 23rd. I'm looking forward to seeing everyone at the Holiday Party.

Normally our dues should be paid by January 1st but because the 2nd meeting in December was cancelled we are allowing payment of dues at the discounted rate of \$12 until January 23rd and then the price will go up to \$15.

This year we will be adding the 2014 Scott catalogues to our library. I just want to remind everyone about our wonderful library. Most books are available for checkout at our meetings.

I would like to thank Phil for all his work handling our sales circuits for all these years. Phil is retiring from handling the circuits. Unfortunately, we have not had anyone volunteer to take over this job. We are now using the APS Sales Circuits which are available for a full month. If you miss the first meeting, they will be there at the second meeting.

In April we will be having our election of officers. Now is the time to start thinking about who you would like to run our organization. If you would like to volunteer, please put your hat in the ring. We are looking to fill two specific positions. One is Trustee as Miles would like to step down. The other is Treasurer because Jerry has been doing a lot of traveling recently and is unable to attend as many meetings as he would like. Please contact me if you are interested. Thanks to both Jerry and Miles for volunteering.

If you are on Facebook or Twitter, please come visit our pages and either 'Like' for Facebook and 'Follow' on Twitter. It's a great way for me to communicate information instantly.

In stamp collecting, one experiences the rare pleasure of independent action without irrelevant burdens or impositions. Nobody can interfere with one's collection, nobody need to be considered or questioned or worried about. The choices, the work, the responsibility - and the enjoyment - are one's own. So is the great sense of freedom and privacy. Ayn Rand
