- Business Meeting/Elect Officers

Knock on wood that we had a very mild winter this year. Looking forward to spring.

The next two months are very important for the club and its members. We have our club donation auction at our first meeting in April and the second meeting is our Election of Officers. Hugh stepped up to the plate and will volunteer as a Trustee replacing Miles. I still have not gotten any volunteers who would like to become Treasurer. As I mentioned in the last newsletter, our current Treasurer would like to step down as he is doing a lot of traveling. Please contact me if you are willing to take over this position or would like to run for any position of leadership in this club. Our club is a democracy. Nobody is elected for life.

I cannot stress enough how important our Club Donation Auction is. This helps keep our dues low and helps us purchase our catalogues.

We are having a Show & Tell on March 26th. I know that even the most novice collector has something interesting in their collection. Please bring something in to share with our members. It's even ok to bring in something that you know nothing about. Perhaps someone in the club might have the answer.

I would like to update everyone on the status of our website. It has been down since January 19th. I am hoping to have it back

up and running very soon.

Without getting too technical, our Domain Name (www.wepsonline.org) expired. We purchased it about 10 years ago. I had a very difficult time getting it renewed because no one could remember the original information used to purchase the domain name. I had to let it totally expire and then purchase it again at auction.

Unbelievably I got into a bidding war for it but eventually won the auction. After winning the auction, I tried to get the site running again but was told I had to wait another two weeks because the original owner of the domain name could purchase it again (even though we are the original owner). Pretty Crazy. Hopefully, by the time you receive this newsletter, the website will be up and running.
