Summer is now coming to an end. Those with kids will be settling back into getting them ready for school in the morning and making sure homework is getting done and is correct. Hopefully, it is also a time to get back to collecting if you put your stamps away for the summer.

A few things happened over the summer. On July 4th, Ron, Diann and I attended the Grover Cleveland Birthplace Celebration. We handed out flyers, spoke with attendees about stamp collecting and gave out packets of stamps to youngsters. Our photograph was placed on The Progress website. You can see the photo on our website under the Photos/Documents Link. Hopefully this will help bring in more potential members.

Speaking of our website... I submitted our Website in the APS Chapters and Affiliates Website Challenge. We won a Silver-Bronze Award.

If you have not checked out our website you should. It is a great reference for all things WEPS. You can find our schedule, Past Newsletters, Philatelic Links, a mostly complete list of our Philatelic Library and links about our history.

Hugh also obtained a list of APS Members in the area and we sent them a flyer letting them know about us. Once again, hopefully this will bring in some new members.

September 24th is our Trustee Meeting. I am hoping that all Officers/Trustees will be about to attend. Our next election takes place in April and I would like to ask anyone interested in becoming a Trustee or Officer to please let me know. Our treasurer has been looking to step down for the past 2 years. Vince, one of our Trustees is moving to South Jersey soon and won't be able to attend any more meetings. I have mentioned this several times, our club cannot exist without our members volunteering.

We also have our Member Auction on October 8th. This auction helps offset dues, provide refreshments and pay for APS/NJFSC dues. Last auction results were a little disappointing. Let's see how much we can bring in.
