Sept 22: Member Bourse -
Trustee Meeting

Oct 13: Club Donation
Auction

Oct 27: Presentation -
Roger Brody - Early Stamp
Production at the Bureau
of Engraving and Printing

I hope everyone had a wonderful summer and were able to spend some time with their collection.

We have had a couple donations of material this summer from families of former members who unfortunately have passed away. I mentioned the John Legari donation in the last newsletter. We also received some stamps from the estate of John Satz. I haven't had much time to work on the Legari collection. If anyone would like to help organize the items for sale, please let me know.

In August, I gave a presentation on our website. I hope those in attendance (and those who were not) use the website site more. There is a lot of good information about the club there. I also visited some other philatelic

websites that I enjoy. One I mentioned was www.stamporama.com. This is a wonderful site and I see that a few WEPS members are now members there. I'm sure they will find the site very informative.

During my presentation, we discussed adding a new page to our website so members can download all of our documents. This way someone can print out one of our flyers and put it up in their library or post office. Please look for this feature coming soon.

I noticed last meeting that the schedule has the wrong dates for September. Our first meeting is 9/8 and the second meeting is 9/22. Please make a note of that. On 9/22 we will be having a Trustee Meeting. I hope that all Officers and Trustees will be able to attend. October 13th will be our semi-annual Club Donation Auction. I hope

everyone can attend and donate at least one item and purchase as many items as you can. I have said this ad-infinitum but I will say it again, all money goes to the club treasury and helps keep our dues low, provide refreshments for the meetings, pay our dues to the APS and NJFSC among other things.

On October 27th we will be having a presentation by renowned philatelist Roger Brody. Roger is a specialist in early 20th century and will be talking about the Early Production at the Bureau of Engraving and Printing. He received the 2014 Lichtenstein Memorial Award for outstanding service to philately. I am looking forward to this presentation and hope everyone will come out to see it.
