### IMPORTANT MESSAGE:

Starting April 10th, our new meeting location will be at the **Little Falls Civic Center** which is located at **19 Warren St, Little Falls.**

In my last newsletter, I mentioned that the Verona Public Library is going to undergo construction to add a new elevator. While the date for this to start has not yet been determined, we decided to find something before we get shut out. A big THANK YOU to Ron, Jerry, Hugh, Rob, and Diann for helping to find something not too far from our current location that would not cost us anything. They can also store our library. Hopefully, this will not be too much of an inconvenience for most of the members.

You can always check the

"What should I do? I think the best thing is to order a stamp with my face on it." - Charles, Emperor of Austria 1882-1922 on learning of his accession to the throne.

website for the most up to date information.

Just another reminder that dues are due. Quite a few members have not paid their 2017 dues. Even I just paid at the last meeting. I know we have had several issues with holidays and weather. Normally we charge \$15 after January 1st but because of the listed issues, I am going to extend the date to April 30th. If not received by that time, you will be dropped from the register. You can always mail your dues to:

PO Box 8030  
Glen Ridge, NJ 0728

Not only will April 10th be our 1st meeting in Little Falls, but we will also be having our Club Donation Auction. All proceeds go to club which helps keep our dues down and provide refreshments at each

meeting. Please bring something to donate and bid as much as you can for the items.

I would like to thank Lou for his presentation in February. I could still use a couple more presentations for the year. Please let me know if you have something you would like to discuss.

We will be having our Election at the 2nd meeting in April. I am still looking for someone to take over the position of Secretary. Please contact me if you would like to fulfill this important position or any other position. Most of our officers and trustees have been in their positions for a very long time. I don't want them to burn out.

For some reason the Circuit Books are not being used as much as we like. We are in danger of having to cancel this valuable member benefit if we don't start getting more sales.
